

Float On Your Back song (Row, Row, Row Your Boat):

Float, float
on your back
everybody float,
if you fall into the water,
flo-oat on your back!

Bring A Parent song (Twinkle Twinkle Little Star):

Never go into the pool
with-out a parent watching you
stay close to them
all the time.
If you do,
you'll be fine!
Never go into the pool
With-out a parent watching you!
